CORNELL'S EASY VICTORY

The Columbia Team Taken Into Camp by Ithaca's Youngsters.

Columbia's defeat was not exactly unexpected, but nobody looked for such a large score. In the first ten minutes of play Columbia lost the services of her best men, Left Guard Wright and Capt. Burt | Cost, Tobacco Wilson being minred. Although the score at the end of the first half was 6 to 0 in favor of Cornell it did not look like a walkover. The loss of Wilson was particularly unfortunate, because of his experience in raining the team, his knowledge of the signals and his punting ability. in the second half Columbia's backs, who had ben constantly used to batter thier way through Cornell's powerful rush line, were us d up, and when Weeks and Morley had to retire it was all over. The Colum-bia team went to pieces and Cornell swept the field with case. Cornell's best half back was Walbridge, who played for years on the Lafayette College team, and has always been considered one of the finest foothall players in America. He easily lived up to his reputation by making three touchdowns, two of which were the result of magnificent end runs from the middle of the heid. He was by long odds the fast-est runner on the field, and being a man of great strength and long experience it was comparatively easy for him to follow the splendid interference which Cornell pro-vided for him. That was the one point above all others in which Columbia was outclassed. As a rule the Cornellians were larger and stronger than the Columbia men and they lasted better. The itno-up:
